22 July to 14 August 2022

Join Trent Valley DA for our annual Spring & Summer THS's at the beautifully landscaped Pinetrees Leisure Park, suitable for all units, with full modern facilities available. The on site social club is always a fun spot with plenty going on; in fact, many quote it as their reason for return visits!

This level site is well equipped with everything the touring caravanner or camper could wish for.

The centrally heated Toilet and Shower Block means home-from-home convenience especially with the children to care for...and the children will sure to love the Adventure Play Area where swinging and sliding around will mean fun, fun, fun!

For fishing around Skegness you can't beat Pine Trees. With two beautifully landscaped lakes, one for the carp enthusiast and one mostly silver fish; match bags regularly exceed 30lb. Both lakes are fully accessible to the disabled angler.

Immediately off-site is a wetland conservation area with some of the best wader colonies in the country, with 3km of access and hides for the bird watching enthusiast.
